

**Draft FPP Change Form**

9/14/07

**Change Request Number:** 08JDA\_002

**Date:** 1/31/2008

**Proposed by:** Project Fisheries

**Location of Change**

JDA 2.4.1.2.a

**Proposed Change:**

What is the acceptable VBS drawdown? We've used 1.5', same as turbine intake drawdown. Needs hydraulic engineering input.

**Reason for Change:**

**Comments from others:**

**Record of Final Action:**

B. Cordie will look at historical drawdown data and propose a level to FPOM.
